Call for papers

The **Journal of Electrical Engineering, Electronics, Control and Computer Science - JEECCS** is a scientific publication that covers the full range of fields within electrical and electronics engineering, control and computer science.

The Journal is sustained by four universities from Romania: University of Pitesti, “Valahia” University of Targoviste, Petroleum-Gas University of Ploiesti, and “Lucian Blaga” University of Sibiu.

The Journal is indexed in Google Scholar with the first issue and will be sent in 2017 to be indexed in other data bases as well:

Papers published in the Journal are free of charges: <http://jeeccs.net>.

The theme topics of interest address both focused-article and also interdisciplinary approaches:

Electronic Circuits and Equipment;

Computer Science

Control, Robotics and Mechatronics;

Electrical Engineering;

Communications Network;

Interdisciplinary Applications:

- **Biomedical Engineering;**
- **Energy Conversion and Management;**
- **Hybrid Systems;**
- **Intelligent System;**
- **Educational Engineering Applications;**
- **Data Management and Information Technology; etc.**

We encourage the submission of original contributions derived from **applicative research** and relevant studies provided by doctoral thesis, but also **state-of-the-art papers** in above topics or **overview papers** in field of the History of Science and Engineering.

Submission:

Prospective authors are invited to submit original papers, previously unpublished or submitted to any other journal, to the JEECCS secretariat using the **on-line registration** via <http://jeeccs.net>.

The format of paper is free before acceptance, but the use of **JEECCS template is recommended**.

Both PDF and MO Word 2010 (or previous) formats must be sent for review. All papers will be peer-reviewed in maximum 20 days after the paper reception.

After acceptance, the authors are instructed to produce a paper of no more than twelve pages (exceptions must be approved), but with minimum six pages, following the guidelines from the **JEECCS** template, which is the IEEE template that is available in MO Word on <http://jeeccs.net>.

Please send the paper in PDF and MO Word 2010 (or previous) formats.

Deadline for JEECCS issues: March 20, June 20, September 20, and December 20.
